I need a bath

It looks old but it is functional

You know the crystal system, don't you? It refrigerates food and warms water

Thus im has it

Gulp!

Gulp!

Is something wrong ?

Eh?

...!?

Ah, it's .. just that it feels surreal...

I've never been to anywhere el... Huh ?!

What ?

Ah, ah... AHAH!

W.. why are you just standing there ?! Go inside !

What ??

Don't you have any shame ?! Go inside, hurry !

What ? Why ?

Argh...

I don't know what she is thinking... Do witches have no shame whatsoever ?

She doesn't look like a bad person

Are you imagining things?

Perv kid ~ Hehch

Whoa ?!

Quit doing that and go in !

Heh ~

But she's either a perv or psycho

Can you take a bath all by yourself ? Want me to, heh, help you?

I am not a kid ! I... I am a man !

Kaya ~ ..a man! Yeah, right

Seb, plzzzzzz, just go take your bath !

Hehehah ~ okai, I will go take my bath ~

Anyway, if you are hungry, eat the food. Put the rest in the ice box.

Okay ! Okay !

It's your home now. Make yourself home.

OKAY! I GOT IT! SO..PLZZZZZ

He's gonna cry if I go further

Uggggh ~

A hot bath is the best for a day like this !

Anyway, he seems to be taking his new life okay. A lot happened for the kid, so I am concerned

But was it the right decision to take him here...

The inn owner seems like he just wants some extra money from me but...

He's going to sell me out if the pursuers smell something. Whether I am a witch or not won't matter to the jerk

And the kid is just too weak and March is too dangerous. So I need to leave here...

Sigh

I sort of like this place...

Everyone is suspicious of everyone else. Everyone hates each other...

It's not just me who's hated...

I felt that this city was the best place for me...

...!!

Air bubble sound because she submerged into the bathtub.

It's okay to open ..., right ?

Shi- really hated me for doing it but...

I don't ...

What to do now ? I don't know any healing magic

He stopped moaning ! Did he... !

I have to stop bleeding first !

There is... no blood ? How ?

Was it ... empty ?

But how can that be ? I swear I saw him carrying stuff with his hands !

What the hell is going on ...

He is ... breathing at least

Did he pass out due to the shock ?

He's not bleeding. He is not moaning with pain. I have no idea whether he is alright or not.

Huh ?! What the...

His heart seems to be beating faster ?

Get off me ! What are you doing ?!

He's awake ?!

I am fine...

I am fine.

I told you before. My hands have been like this always...

But it was sliced

It's fine

....

Put it back on

The hell... What ?

Just put it back on. Mother superior has done it before.

How can he be so calm when his hand was sliced off ?

....

And just put it back on ? Does that even make sense ?

What did that witch do...

Ok, here goes nothing

..!!?

What... ?!

A seal ?!

If it was a seal, why haven't I felt it already ?!

And this is a very powerful seal ! What for ?
